LEADING THE WAY

United Way of Eastern Frontier Country

Meet Christian. Christian got sick and was unable to return to work. He slowly started to lose everything and eventually became homeless. He was able to find assistance at The Salvation Army. There he was given access to a warm place to sleep and a hot meal. Christian was also able to receive financial aid to help get himself back on his feet. Today he is Leading the Way towards helping others that are struggling with the same thing he did.

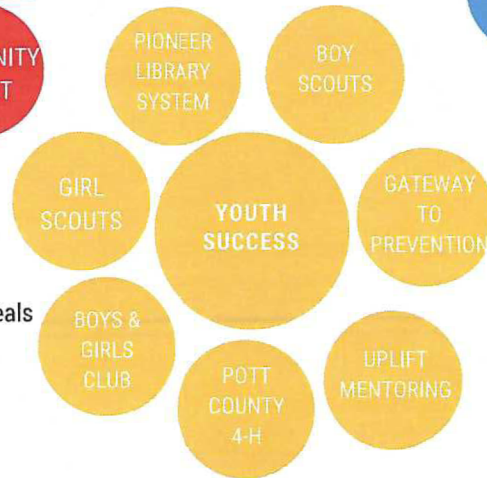

Christian is just one of hundreds of people who have benefited from the assistance at The Salvation Army... and the impact doesn't stop there. United Way partners with 21 nonprofits in the areas of Basic Needs, Youth Success, and Strong Families. Our approach to impact is intentional: we listen, ask questions, analyze data and measure outcomes. Utilizing that information, we invest in our community's most pressing issues. By participating in this year's campaign, you are making a difference right here in Pottawatomie, Seminole, Lincoln, and Hughes counties. That's the beauty of supporting United Way; it's personal. Your gift impacts people you know and care about at a time when the need is greater than ever.
